

# **The *Henrietta Marie*: A Slave Ship Speaks:**

**Teachers Guide with Classroom  
Activities**

**Overview and Objectives:**

The purpose of this teacher's manual is to aid and guide the teacher and students through a very sensitive, yet very important subject by way of the *Henrietta Marie*, the only shipwrecked merchant slave ship that has been discovered, identified and excavated in North America. Activities are included that encompass various disciplines including reading, science, mathematics and history.

**Grade Level:**

This manual with its activities are designed for upper elementary and middle schools, however the activities can be upgraded for a higher level.

**National Standards:**

Each activity is consistent with the National Standards. Details of the Standards addressed are given.

**Teacher Preparation for Activities:**

The preparation required for each individual activity precedes the instructions.

**Pre-activity set-up:**

The pre-activity set-up is listed before each individual activity.

**Materials:**

The materials are listed before each individual activity.
